BENEFITS OF STUDENT MEMBERSHIP

ACFE STUDENT CHAPTERS

The ACFE is the world's largest anti-fraud organisation and premier provider of anti-fraud training and education. Together with more than 85,000 members, the ACFE is reducing business fraud worldwide and inspiring public confidence in the integrity and objectivity within the profession. The ACFE has more than 185 Chapters worldwide.

The ACFE SA Chapter is a recognised South African professional body, representing and governing fraud examination professionals in South Africa. The ACFE SA is extending its resources to assist universities in establishing ACFE Student Chapters.

The ACFE's mission is to create anti-fraud awareness and provide training on how to fight fraud and white-collar crime. We aim to create awareness, not only in the industry amongst working professionals, but also to students who are aiming to pursue a career in the anti-fraud profession. As a student, belonging to an ACFE Student Chapter will give you an opportunity to receive training and learn more about the industry, as well as equip you with skills to create awareness yourself.

- Student chapters provide students opportunities to meet practitioners and interact with anti-fraud professionals, and can be the bridge between academia and practice.
- The main objective is to introduce fraud-related topics to members and students and get the younger generation interested and excited about fraud-related careers.
- Students can host events and drive anti-fraud awareness campaigns on campus (the ACFE SA can assist with speakers and topics).
- The ACFE International will formally recognise the student chapter and will list them as one of the student chapters on their website.
- Student Chapters are provided with a complimentary pull-up banner with the chapter name that can be displayed for awareness drives and/or at events.
- The ACFE International will ship catalogs, resources and brochures to assist the promotion of the ACFE.

STEPS TO CHARTER A STUDENT CHAPTER

Step 1:

Nominate a faculty advisor and get his/her consent to serve in this capacity.

Step 2:

Follow university guidelines for establishing a student chapter. Generally, universities will require the chapter to submit student chapter bylaws.

Step 3:

Assemble a minimum of eight students who meet the basic membership requirements. Appoint/choose positions to match the necessary board positions: president, vice president (usually oversees membership), secretary, treasurer. You may also want to include a vice president of programming. Programming is highly important and will drive the success of the chapter.

Step 4:

Schedule the first meeting where students can sign up. The ACFE can supply applications and promotional literature for the first meeting.

Step 5:

To complete the charter requirements, gather together the following elements, along with the necessary student membership fees and mail to association headquarters.

Once these materials have been received, you will be notified that your school has fulfilled all necessary requirements and that a chapter has been chartered.
